

Analysis Checklist

NAME:

2023

Your Logbook

	Temperature	Humidity	Time Recorded	Place
Day 1				
Day 2				
Day 3				
Day 4				
Day 5				
Day 6				
Day 7				

Analysis

Have a conversation

Start thinking about the data.

- Can you see any big changes?
- Why would those changes be?
- Is there a relationship between your observable surroundings and the readings?
- What key factors are influencing the Temperature and Humidity readings?
